

# SQUAMISH MURAL WALK

PRESENTED BY DOWNTOWN SQUAMISH

Downtown Squamish Business Improvement Association is proud to bring you the Squamish Mural Walk.

The Squamish Mural Walk is a free, year-round self-guided tour of the 20+ murals in downtown Squamish which includes new and existing murals. This year there were SEVEN new mural installations painted during the weekend of August 6-8.

The best way to explore the murals in downtown Squamish is by simply taking a stroll with this self-guided tour. Experience the diverse local cultures, history, and heritage of Squamish dating back to 2000 at your own pace while tagging #downtownsquish and #squishmuralwalk with your favourite artists.

The Squamish Mural Walk recognizes that these murals are produced on the traditional, ancestral, and unceded territory of the Coast Salish People, particularly the sḵwxwúmesh (Squamish) Nation.
